To Whom It May Concern,

**Subject:** Permission to Use Anonymised Data for Academic Research

This letter serves to confirm that Helix Innovation Partnerships Ltd grants permission to Oisin Gibson, a final-year student at Atlantic Technological University, to use anonymised data provided by the company for the sole purpose of their final year project.

All data shared has been anonymised to ensure that no confidential, proprietary, or personally identifiable information is disclosed. The data is to be used strictly for academic and research purposes and must not be distributed, published, or used for any commercial activities without prior written consent from Helix Innovation Partnerships Ltd.

We wish Oisin Gibson success in completing their project.

Sincerely,

Robbie Quinn  
CEO Helix Innovation Partnerships Ltd
